Quality Assurance Review Form for WA 4-96  
Performance Work Statement

**COMMENTS:** The work assignment is to support permitting actions for the Region 8 proposed Dewey-Burdock in-situ recovery uranium project.

The associated QA review form is attached for QA Director approval and signature.

Note this Work Assignment (WA) 4-96 is a continuation of WA 3-96. The new WA is required due to the contractor's Option Period renewal beginning July 1, 2019.
